

[Propsci Perspectives: A Goodwin Video Series](#)

The Goodwin [Propsci](#) team has partnered with several of our clients for a short video series that explores what's happening in the real estate life sciences industry.

Goodwin's [Nicole Riley](#) is joined by Doug Cuff, Vice President of UK Real Estate for [IQHQ](#), a development company focusing on acquiring, developing and operating life sciences properties in the innovation hubs of San Francisco, San Diego and Boston in the United States, and in the Golden Triangle in the United Kingdom.

We invite you to learn more about IQHQ's Innovation Park located in Andover, Massachusetts. Doug will discuss why this was an attractive investment for IQHQ, how the COVID-19 pandemic impacted decisions throughout the acquisition and development process, and the importance of speed- to-market especially during this period of intense tenant demand.
