

Navigating China-Related Transactions: Legal and Strategic Considerations

As part of Goodwin's week of exclusive programming during the BIO International Convention in Boston, we're excited to invite you to a session focused on China-based NewCos and the dynamics of cross-border dealmaking. China continues to be a dynamic hub for biotech innovation, and companies operating in this space are navigating new opportunities and evolving challenges.

Join us for a morning of insightful conversations exploring what it takes to launch, grow, and expand China-based NewCos—and how to successfully pursue international transactions in a rapidly changing environment. From legal and regulatory foundations to cross-border growth strategies, our expert panels will share practical perspectives and real-world experience to help guide your next move.

Please RSVP [here](#) and see below for more details!
